

Ms. Mills' Class Newsletter, December 10-14

Hello Old Mill Families! We are continuing to focus on Gingerbread, Snow, and Celebrations Around the World this month. We have been enjoying playing with gingerbread playdoh, playing with training, and singing and dancing. We have also been enjoying holiday themed stories as well. Please check out Epic! books online to read a new holiday collection of stories with your child. Please note the change in schedule for this month. School will now be in session on December 20th to make up the November snow day.

Reminder: Eye Exams are due on December 17th. Please remember that children without eye exams cannot return to school after the holiday break. Thank you so much for your cooperation in this.

Learning Goals:

Science: I can use tools to explore the environment. S.1.3
