

Ms. Mills' Class Newsletter, Nov 26-30

Hello Old Mill Preschool Families! We hope everyone had a relaxing and peaceful Thanksgiving holiday! We have loved hearing all of the wonderful time the children spent with their families.

Please keep in mind that eye exams are due just prior to the December holiday break. Start thinking about making an eye appointment for your child soon so we can have those all in before Christmas break. Thank you so much for your cooperation in this!

Learning Goals:

Language Arts:

LA.3.3, LA 3.4: I can recognize some letters and words in print.

LA.3.5: I can use pictures, words, or symbols to draw meaning.

Math:

M.1.1, M.1.2: I can create and duplicate shapes.

Science:

S. 1.1, S.1.2: I can observe objects and events to answer simple scientific questions.

Social Studies:

Ss.1.6, SS.1.7: I can recognize that different people have different jobs in the community.

Ideas for home: When reading a story, see if your child can tell you the names of the characters. This is a skill we will be working on in class.
