

Ms. Mills' Class Newsletter, Nov 5-9

Hello Old Mill Preschool Families! We have just finished up our Autumn theme for October, and moving on to Cultures, Traditions, and Foods theme for November. The students loved dressing up for Halloween, and it was so fun to see everyone dressed up in their costumes. This month, we are looking forward to discussing the meaning of traditions and having the students share what sorts of traditions they have with their families. We will also be talking about our favorite things to eat!

Learning Goals:

Language Arts:

LA.3.3, LA 3.4: I can recognize some letters and words in print.

LA.3.5: I can use pictures, words, or symbols to draw meaning.

Math:

M.1.1, M.1.2: I can create and duplicate shapes.

Science:

S. 1.1, S.1.2: I can observe objects and events to answer simple scientific questions.

Social Studies:

Ss.1.6, SS.1.7: I can recognize that different people have different jobs in the community.

Ideas for home: point out different objects at home and help your child name the three dimensional shapes. For example, a can of soda would be a cylinder and a ball would be a sphere.

Books We Are Reading:

Bear Snores On

Little Fox's Surprise

Important Dates:

November 12th: Picture Retake Day

November 21-23: No School,
Thanksgiving holiday
