

Mrs. Mills' Class Newsletter, October 15-19

Hello Old Mill families! We are continuing our unit entitled "Autumn" and students have loved learning about leaves and pumpkins. We have been sharing the changes we have been seeing outdoors, and what sort of activities we like to do in the fall. Be sure to check out Epic! Books online. There is an Autumn Collection of books for you to read with your child!

We also have a fun after school event coming up. We will have Fire Safety Day on October 16th at Crossroads Elementary. We hope to see you there!

Learning Goals:

Language Arts:

I can participate actively in story time.

I can make predictions about a story.

Math: I can recognize shapes.

I can identify shapes.

Science:

I can collect items with similar properties

Social Studies:

I can recognize differences in personal characteristics and family make up.

Health/Wellness:

I can show social cooperation.

Ideas for Home:

Play a game with your child to identify shapes in everyday objects outside or inside. Examples would be: a clock is a circle, a cereal box is a rectangle, car wheels are circles, etc.

Important Dates:

October 16th: Fire Safety Day at Crossroads Elementary 6:00-7:00 pm

Books We Are Reading:

Leaf Man

Leaves

Bear Has A Story to Tell

Fletcher and the Falling Leaves
